Roses in the Greenhouse

Roses

Flora International's beautiful, long stemmed roses are grown right here in Australia. They are lovingly cared for all year round, in one of the country's most advanced rose farms. State-of-the-art hydroponics technology and old fashioned TLC combine to grow only premium quality roses.

Oriental Lilies

A beautiful compliment to roses are Oriental Lilies. Oriental Lilies grown at Flora are selected from the largest bulbs to ensure a long stem and high quality lily all year round. Oriental Lilies are a perfect addition to any arrangement as they present with a gorgeous bloom and subtle perfume.

Phalaenopsis Orchids

Flora International has extended its growing portfolio to include the very beautiful and exotic Phalaenopsis Orchids, sourced from the leading breeders both in Europe and Asia, to deliver all sizes, extensive colour range and the highest quality all year round.
